Foreword...

To all you Shellbacks, Pollywogs, Old Salts, Landlubbers, and green hued Neophytes, Greetings!

In the following pages, the JAGUAR Staff has attempted to give you, in photograph and printed word, the inspired and inspiring account of the events of this, the first school year in the new Falls Church High School. If this description of a ship's first cruise is not in accordance with the best naval tradition, we apologize, but we cannot explain.

— With the hope that the JAGUAR 1946 will serve to recall happy memories of former friends and pleasant experiences we now say to you:

"It is not the budget we care about,
Nor the pictures that came out in a fog;
But it is what you say about
Us poor flunkies who kept the log!"

DEDICATION

Mackall Rust Bruin, Jr., B.A., M.A.

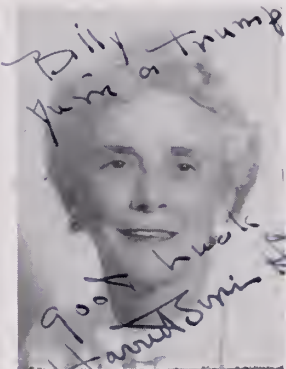

Principal

In Sincere Appreciation . . .

For his hard and inspired work with us and for us, for his advice and understanding, for his steering which kept the good ship U.S.S. Falls Church High on a straight course throughout her maiden voyage, we, the passengers, gratefully dedicate this, the first volume of the JAGUAR to our Skipper, Mr. Bruin.

CITED FOR DISTINGUISHED SERVICE

THE NATIONAL HONOR SOCIETY

The Falls Church Chapter of The National Honor Society was organized February 15, 1946. Membership to this organization is based on scholarship, service, leadership and character, and is chosen from the senior and junior classes. Sophomores satisfying all requirements may be candidates for probationary membership.

The Falls Church Chapter is in its infancy and, as it grows, that it may do much to create an enthusiasm for scholarship, stimulate a desire to render service, promote worthy leadership, and develop character in the students, is the sincere aim of the organization.

THE STUDENT COUNCIL

The Falls Church High School Student Council was organized in the latter part of last year. Under the leadership of John Moffat, it has done much this year to promote the general welfare of the student body, and to encourage participation of the students in the administration of school activities.

The activities period and organization of clubs were sponsored by the Student Council as was the institution of the Point System, which is expected to serve as an incentive to better scholarship, citizenship, and to encourage leadership among the students. The Freshman Handbook was compiled and published for the benefit of new students.

The Student Council took an active part in the Fairfax County Student Council Association which has done much for the promotion of better relations among the schools in the county. Two Falls Church representatives were elected to office in the F. C. S. C. A.

THE ART CLUB

The Art Club was the outgrowth of the need of posters by the school. The club has expanded into a group of artistically minded students doing creative drawings for the enjoyment they receive from it.

The club has contributed to the school by making posters, decorating for the dances, and designing the set for the junior play. The activities culminated in the exhibit of original and effective drawing in charcoal, crayon, water colors, and oils.

And The Band Played On

The Falls Church Band had its modest beginning during this school year. Although the group was small, the members were individually talented and it experienced a successful year, contributing greatly to the enjoyment of the students as they played for the dances and programs.

The band had two saxophone players, Eddie Payne and Richard Landess. Floyd Gorham played the trombone. Sammy Reynolds and Billy Lanier sounded off on the clarinet and trumpet, respectively. Jimmy Newheiser beat out the rhythm on the drums and Patsy Eller accompanied at the piano, with Theda Thomas assisting.

After Mrs. Likar's resignation, Mrs. Holt took over. With the help of Mr. Colangeo of Arlington, fifty-two beginning students received instruction on various instruments. The prospect is for a bigger and better band and orchestra next year.

The purposes of this club are: to work for high ideals of home or family living, to help with community improvement and patriotic services, to promote wholesome recreation in the school and community, to learn to work together in large group for common good, to be a connecting link between school and home, and to sponsor a "get together" between mothers and daughters.
